### **Fall Meeting**

The Conservation Committee's fall meeting was held November 10 via a web meeting. Fifteen members attended.

### **AWWA 2012 Sustainable Water Management Conference**

The pub crawl in conjunction with the Water Resources committee at the AWWA 2012 Sustainable Water Management Conference was discussed and it appears we have enough volunteers to host this event.

### **Next Meetings**

The next committee meetings are March in Portland in conjunction with the AWWA conference and again in Yakima after the conservation track Thursday, May 3<sup>rd</sup>.
