

PNWS Safety Committee Report

Submitted by:

Mike Jacobs – Co-chair

mikej@tvwd.org

Recent committee actions:

The committee submitted two La Due award applications to AWWA for consideration. The winners were announced and neither applicant will be receiving an award.

Committee members have been involved in the following training:

1. Excavation Competent Person for the City of Dayton, Oregon and surrounding utilities
2. Confined Space and Chemical Safety classes at the NW Oregon Sub-Section Waterworks School
3. Curt put on a Defensive Driving class at Alderwood that was attended by a number of local Districts.

Len has been attending Washington's Crane Stakeholders meetings and will be providing a report to the committee at our next meeting

The PNWS Lending Library should be online by July of 2010. Mike has been working with Kyle to develop a check out process and forms.
