

Subsection Advisory Council
4/2010

Stephen Sagmiller : Chair
John Roth : Vice Chair
Jason Canaday : Secretary
Jacki Masters : Incoming Secretary

The Subsection Advisory Council (SAC) has had a very productive year. The section had a great success at last years ACE and walked away with the first place in Tapping for our men's team, third place in Tapping for our women's team, second place in TopOps, and third place in Meter Madness. We are hoping for another year of great competition and hope to send more teams to compete in Chicago.

The SAC also had a great turnout at the Winter Meeting and Training. We had 11 of the 12 Subsections send representatives and had a great day of training with over 65 folks in attendance. Many thanks go out to those that volunteered and helped things stay on track.

The SAC is looking forward to another great year and hope to get more subsections and committees involved. As a step in that direction the SAC has chosen Jacki Masters from the City of Longview to join us as the incoming Secretary for the 2010-2011 year. . Jacki is a long standing member and officer of the Lower Columbia Subsection and will be a great addition to the SAC.

Though the final numbers aren't in yet the SAC awarded a number of scholarships to both members and students. These scholarships go a long way toward helping those attend the conference that otherwise couldn't afford the registration. Many thanks are due the board for making this available to both our members and students.
