Judy's Retirement Reception!

**Wednesday
May 5, 2009**

Come on out and join us as we salute Judy Grycko for her eighteen years of service to the Pacific Northwest Section!

8-10pm

**In the Marion
Room, just off
the lobby in the
Phoenix Grand
Hotel!**

Judy began working with the Section March 25, 1990 as an independent contractor before coming on board as the Section's only employee. Over the years Judy has witnessed a number of changes in our industry. However, the change that has pleased her the most is the growth that our Section has experienced. During Judy's tenure she has seen our membership numbers increase from 1,800 to just under 3,000 today!

This retirement reception for Judy is an opportunity to offer her a heartfelt thank you for her service and dedication. Everyone is encouraged to stop by to relive some of the memories that Judy has made with many of you over the last eighteen years and to wish her all the best as she sets course on a new direction in her life!
