RE: Report and Update – Spring Trustees Meeting

It is our pleasure to announce the awardees of PNWS-AWWA Scholarships for 2010. Once again, the committee appreciated the hard work and dedication of 20 students who applied this year from academic institutions across the Pacific Northwest.

With the Board's support, and the generosity of Ameron International, ten students were awarded scholarships:

Mark Raleigh (PhD) - \$4,000 - Ameron
Daniel Tiliano (MBA) - \$3,000 - Cynthia Driscoll
Hanna Rolston (BS) - \$2,500 - Archie Rice
Julie Rausch (BS) - \$2,500 - Alan Jones
Catherine Wilcox (BS) - \$2,500 - Legacy
John Platt (BS) - \$2,500 - PNWS
Andrew Ames (AS) - \$2,000 - Petty/Stiles
David Marinos (AS) - \$1,250 - PNWS
David Frahm (AS) - \$1,250 - PNWS
Chun Yan Lehman (AS) - \$1,250 - PNWS

Total - \$22,750 for 10 awards (20 total applications).

In addition, all applicants who are not already AWWA members will receive student memberships.

We were able to support one-half of the students and stay within our approved budget. Thank you for supporting the educational opportunities for these students!

At this year's banquet, we are celebrating 25 years of the E&T fund and the scholarships that fund supports. Attached is the updated list of awardees since 1995. We have collected photos, bios, and quotes from a number of past winners to use to support the celebration!
