### Fundraising Update

Fundraising for the 2016-2017 Water For People fiscal year is off to a good start. In December, we donated just over \$33,000! Planning for our two larger winter fundraisers - NW OR Gala and Seattle Area Water for Life – has changed this year. The NW OR committee decided to change the focus of their event and is hosting a **Hops for H2O** in May to replace their historic gala (see details on the attached event list). Due to unavailability of their venue, the Water For Life event has also moved to May. With numerous events through spring and summer, I have no doubt we'll again be a global sponsor for Water For People!

### Committee Officers – 2017-18

Our new committee officer list is outlined below. I am moving to past chair following the conference and am excited to leave the committee in such capable hands.

Chair: Camille Cegnar, SUEZ

Vice Chair: Open

Past Chair: Kristin Young, RH2 Engineering

Secretary: Erin Nishikawa, Associated Earth Sciences, Inc.

Technical Liaison: Anh Quach Crandall, Carollo Engineers

Auction Leads: Katie Dillon, PRR and Shantel Shepard, Tacoma Water

Web page coordinator: Jolene Gibson, Tacoma Water

### Kenneth J Miller Award

We are thrilled to announce that Jolene Gibson is the recipient of the Kenneth J Miller award for the PNWS Section. The award is well deserved!

### Summer Training

Shantel Shepard will be attending the annual Water For People Workshop in Denver in July. She is an enthusiastic WFP volunteer and the committee is excited to give her this opportunity. We appreciate the financial support to continue this training.

### Board Involvement

The WFP committee thanks all the Board for supporting and attending many of our events this year. We appreciate the support and look forward to seeing you at future events. Attached is a list of 2017 events.
