RE: Report and Update – Spring Trustees Meeting

It is our pleasure to announce the awardees of PNWS-AWWA Scholarships for 2017. The committee appreciated the dedication of the 35 students who applied from academic institutions across the Pacific Northwest. We note the first award of a named scholarship from the SW Idaho Subsection, and the first award of the One AWWA Operator Scholarship.

Thanks to the generosity of contributors to the E&T Fund, and direct contributions from Ameron, Kelman, the NW Washington Subsection, and the Board of Trustees, nine students were awarded scholarships this year, totaling \$30,700. Awardees who are able to attend the the first day of the Annual Conference will be recognized by the Section Chair during the opening session.
