2018 PNWS-AWWA Conference, Tacoma, WA

The South Sound Subsection is excited to have the opportunity to host the Section conference again in 2018. We have an amazing group of water professionals that are ready and waiting to help us plan a great conference. We are hard at work selecting venues for fun night and the golf tournament as well as working on the YP scavenger hunt.

That being said, we are also excited to be the first LAC to be able to work with the professional event planner. With the Planner's experience and the South Sound Subsections amazing volunteers, we are expecting to elevate the 2018 Conference from great to extraordinary.

Our proposed tag line and logo are submitted for your review and approval.
