

Fall Trustees Meeting Committee Report

February 2017

Submitted by: Kristin Young, Chair

Water For People fundraising is off to a fantastic start with a donation of just over \$33,000 in December.

Committee Officers Update

The leadership for the Water For People committee is changing. Vice Chair, Ronda Farmer, will be stepping off the committee in May as she starts her Trustee role. Chair, Kristin Young, will be stepping down in May also. The committee will announce the new Chair and Vice Chair in May.

Kenneth J Miller

The committee is in the process of soliciting nominees for the Kenneth J Miller award. Nominations are due on February 6 then members will have the opportunity to vote. There are many section members worthy of this award so don't hesitate to nominate one of them.

Section Conference Auction

The Auction committee is busy soliciting donations. This year, we are excited to once again be located in the vendor hall with the Champagne Reception and Auction on site at the convention center. The donation form can be filled out at the following link: [2017 Kennewick Conference Auction - Water For People](#). We look forward to seeing you at the silent auction!

Events

Attached is a list of the proposed events for 2017 with dates and located noted where available. You'll note a couple changes for 2017:

- NW OR is not hosting the WFP Gala this year but is strategizing other event ideas.
- Seattle Water for Life event has moved to May.

Thank you for your support and we look forward to seeing you at many events this year.
