

PNWS 2017 Membership Committee Report

Fall Trustee Meeting

Reported by: Andreu Ferrero, Chair

Committee Members: Pat Van Duser, Ray Lipin, Laurie Fulton, Christie Butler, Denise Ledingham, Stephanie Raddatz

Status of current efforts as follows:

- **Membership Committee Database**

The membership committee has maintained the membership database since it went live after the 2014 Fall Trustees' Meeting in Lake Chelan. Over the past year, we have provided database information generated from 7 requests from the PNWS-AWWA membership website. Information was provided to committee and sub-section officers. We will continue to update and maintain this database as a resource to the Section.

- **Sub-Section Database**

The membership committee hosts an on-line sub-section member and non-member database. Sub-section presidents have access to both of these databases; upon request other sub-section officers can be granted access. It is the responsibility of the sub-sections to update their non-member databases. Once non-member database entries are made, the section can assist the sub-sections recruit these individuals.

- **2017 Membership Goals**

Association goals for the PNWS were to retain at least 62% (85) of the first-year Individual and Operator members gained in 2015 and to have 2% (25) overall membership growth. As of September of 2016 we have 2,514 members, a 2.1% change from 2015. We have retained 36% (50) of first year Individual and Operator members. To meet the association goals we need to maintain 2,512 members (all grades), and retain 35 more Individual and Operator first year members. A contact list of first year Individual and Operator members has been included with this report.

- **Current Goals**

- Recruit and train additional committee members.
- Implement the updated version of the MC Roles and Responsibilities document which has been included with this report.
- Re-new 35 first year Individual and Operator grade members.
- Host a Meet and Greet event in collaboration with a student chapter.

AWWA-PNWS Membership Committee Roles and Responsibilities

Roles:

- Administration of MC – This is my understanding of and suggestions for the roles within the MC and what they would be responsible for:
 - Past Chair
 - Assist current chair
 - Current Chair
 - Board of Trustee/Executive Director Report
 - Budget
 - Attend Membership Summit
 - Review and distribute quarterly and yearly statistic and trend sheets
 - Vice Chair
 - Attend Membership Summit
 - Assist Database manager
 - Create quarterly and yearly statistic and trend sheets
 - Database Manager
 - Update membership database
 - Respond to membership data requests
 - Assist Vice chair
 - 20/20 Committee Liason
 - Work with 20/20 committee
 - Assist Outreach coordinator
 - Outreach Coordinator
 - Organize conference booth
 - Organize student/YP events
 - Produce membership marketing material

Tasks:

- Membership Reporting
 - Board of Trustee/Executive Director reports.
 - Budget
 - Create a quarterly statistic sheet for board/committee/subsection leadership and for section publications.
 - Charts with simple analysis
 - Yearly comparative
 - Goal oriented
- Membership Database
 - Maintenance
 - Updating the database upon data request
 - Updating the database for membership reporting
 - Non-Member Database
 - Bring it on-line!
 - Grant access to sub-section representatives and others (to be determined by board)
 - Distribute quarterly sheets with non-member contact info to sub-sections
 - Cross reference with Membership database.
- 20/20 Vision Initiative
 - Tracking
 - Document membership trends as recruitment efforts are established and implemented
 - Provide quarterly/yearly trend sheets to Section Chair and 20/20 committee
 - 20/20 Committee
 - How does MC assist the committee's goal.
- Conference Membership Booth
 - Display
 - Marketing materials
 - Swag
 - Staffing
- Conference Meet and Greet
 - Swag
 - Display
