To: Board of Trustees – PNWS-AWWA  
From: Cory R. Baune, Scholarship Committee Chair  
Subject: Report and Update, Spring Trustees Meeting

It is our pleasure to announce the awardees of the PNWS-AWWA Scholarships for 2018. The committee appreciates the dedication of the 36 students who applied from the academic institutions across the Pacific Northwest. We were able to provide additional support to the Water Equation's One AWWA Operator scholarship due to the support of the NW Washington Subsection's match to the national funds and the first time Walla Walla Operator Fundraiser, that added \$1,800 to the \$2,000 Water Equation's One AWWA Operator Scholarship.

Thanks to the generosity of contributors to the E&T Fund, and direct contributions from Ameron, Kelman, the NW Washington Subsection, and the Board of Trustees, eleven (11) students were awarded scholarships this year, totaling \$42,300. This is an increase of over \$11,000 over last year. A summary of the recipients and each scholarship is attached.

Attendees who are able to attend the first day of the Annual Conference will be recognized by the Section Chair during the opening session.
