2018 PNWS-AWWA Conference, Tacoma, WA

The Annual Conference is upon us. The final walk through of the convention center has been done, last minute room changes have been made and small schedule adjustments are complete. Ready or not, here we go!

Over 600 registrants will be joining us beginning Wednesday.

143 golfers will be enjoying the day at the beautiful Fir Crest Golf Club.

111 vendors will be on hand showcasing the latest and greatest water industry products and services.

Tapping, meter madness and hydrant hysteria will pit utility against utility with the victors moving on to ACE in June.

Keynote speaker, Elisa Webb Hill, will enlighten us with insight on how to engage young professionals and implement future-focused talent strategies.

We will be showcasing some of Tacoma's finest talent. Singer/songwriter Chloe Wilson will sing the National Anthem for us Wednesday evening. The Lincoln High School drumline will entertain us and lead us into Thursday's Opening Ceremony and the Stadium High School JROTC color guard will present the flag.

The technical sessions offer a wide variety of subjects with something for everyone.

We are excited to have the conference back in Tacoma and are ready to see everyone's efforts culminate in an amazing conference experience.
