WFP Spring Collaboration Meeting

On April 11, 2018, the PNWS WFP Committee and our board contact (Ronda Farmer) met in Tacoma for our 1st annual collaboration meeting. Meeting together allowed us to set some goals and refine our committee structure. The work we completed included: creating a Mission/Vision Statement, a review of our officer roles, meeting frequency and succession planning, a SWOT analysis of our committee, defining our short and long term goals, improvements to our Kenneth J Miller voting, and creating our agenda for the annual WFP meeting at the conference.

Following is the **Mission/Vision** statement we developed for the PNWS WFP committee:

In an effort to support the mission and vision of Water for People, we provide philanthropic guidance to the PNWS through education, communication, and fundraising.

Kenneth J Miller Award

The Kenneth J Miller award winner this year is Justin Ford from the NW Oregon Subsection.
