To: Board of Trustees - PNWS-AWWA

From Cory R. Baune, Chair-Scholarship Committee

RE: Budget Request and Update: Fall Trustees' Meeting

The Section's scholarships provide significant support for deserving and committed students. We all know someone in the industry who has been helped by these scholarships. The attached scholarship award history shows that the Section has awarded a total of \$500,900 in scholarships since 1995, including scholarships to eleven (11) students in 2018.

The Scholarship Committee's 2019 budget proposes awarding approximately eight scholarships totaling \$31,500. The request includes funding of \$25,000 from E&T, \$1,500 from Kelman and Associates, and \$3,000 from the NW Washington subsection. In addition, the committee will award the One AWWA Operator Scholarship with the Section match of \$1,000 being provided by The NW Washington Subsection. Please extend your thanks to this subsection for supporting the One AWWA Operator Scholarship. I would also like to note that the E&T Fund has set up a designated fund for the One AWWA Operator Scholarship with the goal of growing principal within that fund that will perpetually fund the Section match.

\$200 is requested from the Board to cover costs of student memberships for applicants who are not already members. The committee has completed leadership transition with Cory Baune as Chair and LaDonne Harris as Vice-Chair. The committee currently has 10 members total. Rhonda Farmer and the IT committee has been very supportive in streamlining the application process and file management of the committee.

The Section does great work. Let's continue to develop the knowledge, skills and educational preparation of students interested in entering our professions. I urge the Board to accept this report and support the budget requested.

Thank you!
