Southern Oregon Subsection President's Report February 7, 2020

The members of the Southern Oregon Subsection have once again shown their dedication to the water industry by putting together another successful year of events. I would like to thank each of our members who made our Southern Oregon Water/Wastewater short school and Water for People Golf event such great successes. I would also like to thank the many friends to our subsection who devote the time and energy to travel from afar to attend our meetings and events. Southern Oregon is fortunate to have such a strong group of water professionals who pull together to share their knowledge and experiences.

~ Craig Kuhnert, President

The Southern Oregon Subsection set 6 goals for the 2019 year and they are as follows:

1. Provide CEU's for all subsection meeting programs:

Three of our four quarterly meetings included training CEUs. Our fourth meeting agenda included Meter Madness, Gimmicks and Gadgets and Best Tasting Water contest. See table in on page 7. Medford Water Commission won the Best Tasting Water and Mike Blake presented yet another winning gadget and was featured in Opflow Magazine.

2. Provide high quality, cost effective educational opportunities for water and wastewater operators in the Southern Oregon region that equals at least 2 CEU's every two years.

- We hosted a short school September 9-12, 2019. It provided up to 2.0 CEUs for the 90 students that registered. Out of our \$9,398 profit, \$500 was sent to UBOS and \$3,000 was set aside for 2021 short school while the remaining balance went to the E&T Fund.

3. Continue support for Water for People and the Education & Training Fund.

We were able to raise \$5,563.66 for Water for People at our annual Southern Oregon Subsection golf tournament last August.

- Southern Oregon Water for People 8th Annual Golf Tournament was held at Stoneridge Golf Course in Eagle Point Oregon on August 10, 2019. We had a total of 56 golfers participate this year. Our sponsors are as follows:

- 1 BBQ Sponsor (at \$500)
- 1 Birdie Sponsor (at \$500)
- 2 Signature Sponsors (at \$350)
- 15 Hole sponsors (at \$275)
- 19 sponsors in all

4. Provide scholarship opportunities to the Annual Section Conference and Southern Oregon regional short school.
 - The subsection provided scholarships for 2 students to attend the 2019 short school.
5. Provide training and guidance to SOS officers.
 - We participate in the officer training each year. We regularly provide support to our officers and help each other with projects. We encourage members to try to attend annual conferences.

6. Provide opportunities to serve within the subsection such as WFP events, short school development and contests.
 - It takes a village to run events such as golf tournaments and short schools. Our members pull together and make it all happen each year.

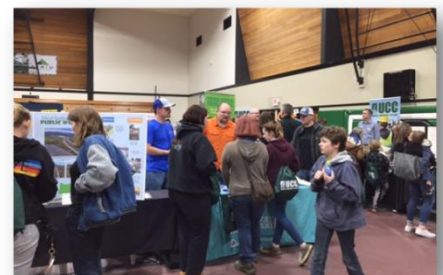

Additional Activities

2019 Southern Oregon Subsection –Young Professional’s Activities

Umpqua Community College (UCC) Career Fair February 6, 2019

This was the twelfth year they have had this event on the UCC Campus, and it continues to grow every year. The event created multiple connections between local elementary through high school students, UCC students, local business/industry, UCC

2019

academic programs and support services, and transfer universities. Based on registration information we are estimating an attendance in the range of between 400 and 500 people. Quinn Pickering, Tanner Pence and Sean Negherbon from the Southern Oregon Subsection staffed the booth at this event. Thank you!

Careers in Gear Career Fair February 7, 2019

Careers in Gear was held on Thursday, February 7th, 2019 at the Medford School District Education Center-Central Medford High School Large Gym. This was the ninth year the event has been held in Southern Oregon and there were nearly 2,000 students who registered to attend! The exhibit hall was filled with exhibitors who know about the cool jobs in the area, so kids could meet them in person. Students prepared interview questions ahead of time to help start conversations with exhibitors. Amie Batham, Julie Smitherman and Ciara Marshall from Southern Oregon staffed the booth this year.

Southern Oregon Short School Young Professionals Networking Fun Night September 10, 2019

We had a wonderful time at our southern Oregon YP Networking Event during the week of the Southern Oregon Short School. There were about 20 people who attended the event from all around Oregon. We were able to connect with some new YPs and recently graduated students. So, a success all around! Thanks again to the Pacific Northwest Section of the American Water Works Association, Varius Inc. and murraysmith for helping with the funding and raffle prizes for this event.

Southern Oregon Trade Careers Expo (SOTCE) September 26, 2019

This was the first year the Southern Oregon Subsection participated in the trade careers expo at Seven Feathers in Canyonville, OR. The SOTCE event introduced Southwestern Oregon High School students, Veterans, active serving Military Personnel, and referrals from public and private agencies to living wage career opportunities in the manufacturing, trades and related industries. Over 50 high schools from Coos, Douglas, Josephine and Jackson Counties attended the career expo. Eryn McNeil, and Tanner Pence from the Southern Oregon Subsection staffed the booth at this event. Thank you!

GOALS

2020 SOUTHERN OREGON SUBSECTION

1. Provide CEU's for all subsection meeting programs.
2. Provide high quality, cost effective educational opportunities for water and wastewater operators in the Southern Oregon region that equal 2 CEU's every two years.
3. Continue support for Water for People and ET Fund.
4. Provide scholarship opportunities to the Annual Section Conference and for the Southern Oregon regional short school.
5. Increase and sustain AWWA membership. In support of the Section's 2020 Vision goal, continue to reach out to young professionals and students and encourage their involvement in the water industry.
6. Provide training to subsection officers which describes duties and responsibilities.
7. Provide opportunities to serve within the subsection such as WFP events, short school development and contests,

MEETING MINUTES

March 7, 2019

City of Grants Pass

Meeting called to order by President Mike Blake who welcomed all present followed by introduction of members and guests with 24 people present; 4 of which were new attendees. Meeting host Frank Morgan welcomed all present and gave a brief overview of the City of Grants Pass's water treatment and distribution system.

Minutes:	MSC to accept the December 6, 2018 minutes.		
Treasurers Report:	Ken Johnson reported that the checking account has a balance of \$7,130.61. This includes a \$22.50 per month constant contact fee.		
Legislative Committee:	Mike McClenathan reported that America's Water Infrastructure Act was signed into law in October. This will require water systems to develop risk assessments and emergency response plans. There are deadlines depending on population: over 100,000 is by March and Sept of 2020, 50,000-99,999 is by December 2020 and June 2021, and 3,301-49,999 is by June and December of 2021.		
Quarterly Program:	Date	Topic	Location
	Jun 6, 2019	TBA	Bandon
	September, 2019	Short School	Medford-Jackson Co. Health
	November 7, 2019	Officer Meeting	TBA
	December 5, 2019	TBA	Central Point
Education:	Rachel Lanigan will get together with Mike McClenathan to help with the Short School in September		
Membership:	No report for this committee.		
Safety:	Upcoming training includes: OR OSHA Accident Investigation April 23 rd in Medford, D2000 Forklift Train the Trainer on May 14 th in Medford, Overton Safety Forklift/Aerial Scissor Lift training on April 15 th or June 25 th in Medford.		
Website:	No report.		
Water for People:	Kate McClenathan is looking for donations for the WFP silent auction in Vancouver. She is also looking into adding a wine fundraiser event. Help would be appreciated.		
Young Professionals:	Julie Smitherman reported that the career fairs went well with 400 students at UCC and 2000 at Medford. Sponsors are needed for the conference scavenger hunt. The board approved a \$200 scholarship for the scavenger hunt. Leadership Symposium & YP Summit will be combined in September. There will be a YP event at the short school. Julie is now the SP and is looking for a new YP liaison.		
President Report:	Mike Blake reported that SAC meeting was well attended with 6 from our sub section. Starting next year, the trustee meetings and subsection officer training meetings will be combined in Sunriver. We need an honorary Mafia member nominated for the section conference in Vancouver. An opportunity for the subsection has come up in Central Point. Battle of the Bones is mid-September and we would be allowed to have a tent and a 50/50 raffle. 2 volunteers per day would be needed and they get free BBQ.		
Other:	RCC is not available to host our short school due to staff cuts and remodel. Other locations are being looked at. Jackson County has free rooms in Medford to look at, and RCC in Grants Pass was mentioned. Will need to start soliciting for speakers, vendors and sponsors. Golf is scheduled for August 9 th and 10 th . Committee calls are coming soon. Board approved the increase of hole sponsor price to \$275.		

There being no further business, the meeting was adjourned to the Best Tasting Water competition. Judges were Kyle Grogan from Neilson Research Corp, County Commissioner Darin Fowler, and Rachel Lanigan from RH2. Medford, Grants Pass, and Ashland were the competitors. Medford won. Mike Blake presented his gimmick/gadget.

Submitted by Cyndi Weeks, Secretary

MEETING MINUTES

June 6, 2019

City of Bandon

Meeting called to order by President Mike Blake. President Blake passed the gavel to incoming President Craig Kuhnert who welcomed all present followed by introduction of members and guests with 16 people present; 2 of which were new attendees. Meeting host Jim Youraish welcomed all present and gave a brief overview of the City of Bandon.

Minutes:	MSC to accept the March 7, 2019 minutes.		
Treasurers Report:	Ken Johnson reported the checking account balance of \$8,343.11. There will be lots of activity in the next few months with both the golf tournament and short school. A \$1,280 deposit was made for the golf tournament.		
Legislative Committee:	No report from this committee.		
Quarterly Program:	Date	Topic	Location
	September, 2019	Short School	Medford-Jackson Co. Health
	November 7, 2019	Officer Meeting	TBA
	December 5, 2019	TBA	Central Point
	Essentials of Water in Grants Pass on June 20 th . Cascade to Coast hosting Vibration Analysis on the 18 th .		
Education:	No report other than the short school needs a coordinator for the wastewater track.		
Membership:	Andrew Albee reports that he made a few calls.		
Safety:	Overton Safety has forklift & scissor lift training in Medford June 25 th , and boom truck training June 26 th . D2000 has fall protection training June 11-12 th in Medford and confined space train the trainer in Medford July 9-10 th . OSHA will be in Klamath Falls June 18 th for forklift safety and fall protection and in Roseburg Sept 10 th for confined space and lockout/tagout.		
Website:	No report.		
Water for People:	Julie Smitherman stepped up to report that as of today, there are 20 registered golfers and 4-5 sponsors for the tournament. The Mafia will sponsor a hole again, but we need more sponsors.		
Young Professionals:	Julie Smitherman reported that there will be a YP event on Tuesday night during the short school and will be participating in a career fair Sept 26 th in Canyonville. Funds are minimal, so sticker sales are needed.		
President Report:	Being his first meeting as President, Craig Kuhnert did not have a report.		
Other:	Both Coos Bay and Roseburg have volunteered to host a meeting next year. Grants Pass would like to participate in Hydrant Hysteria. Would be nice to have more than one team. OHA sanitary survey: prepare for future inspections. Take a look at your reservoirs as if you haven't seen them before. Take a good look at screens, hatches, etc. They use drones to look at the top as well. Trustee meetings will be combined as of October 2020 in Sun River.		

There being no further business, the meeting was adjourned to the program presented by Drew Baird from Consolidated Supply about Distribution Pipe Condition Assessment.

Submitted by Cyndi Weeks, Secretary

MEETING MINUTES
September 19, 2019
Conference Call

Meeting called to order by President Craig Kuhnert and there were 13 present on the call.

Minutes:	MSC to accept the June 6, 2019 minutes.		
Treasurers Report:	Ken Johnson reported the checking account balance of \$8,432.37. The profit from the short school was \$9,398. The board approved for 3,000 to be kept aside for the next short school and for the remainder to go to the E&T Fund. The board also approved for \$500 to be sent to PNCWA as profit share.		
Legislative Committee:	AWWA Risk and Resilience program is up and running with deadlines to have the assessment done by 3/31/20 and emergency response plan by 9/30/20 for large populations, 12/31/20 and 6/30/21 for medium populations, and 6/30/21 and 12/30/21 for small populations. WA Department of Health is setting goals for manganese removal.		
Quarterly Program:	Date	Topic	Location
	September, 2019	Short School	Medford-Jackson Co. Health
	November 14, 2019	Officer Meeting	Central Point
	December 5, 2019	TBA	Central Point
Education:	No report.		
Membership:	Nothing to report.		
Safety:	OSHA Safety Conference in Ashland October 15-17.		
Website:	No report.		
Water for People:	Stone Ridge Golf Course wants us to change the date of the golf tournament to avoid having 2 tournaments in one day. Vendors and sponsors would like to see the tournament and short school combined. Julie and Ed will look into alternate dates.		
Young Professionals:	The YP event had 15 attendees and good connections. Ed donated drinks and Murraysmith the gift bag.		
President Report:	No report.		
Other:	Overall, the short school went well with 90 attendees and 10 vendors. Access to the Health Department building in 2021 is unknown, so we need to check out other venues. After realizing just how much work that goes into the event, money was set aside in the budget to cover extra expenses next time such as using a mailing service and catering.		

There being no further business, the meeting was adjourned.

Submitted by Cyndi Weeks, Secretary

MEETING MINUTES
December 5, 2019
City of Central Point

Meeting called to order by President Craig Kuhnert who welcomed all present followed by introduction of members and guests with 14 people present; 3 of which were new attendees. Meeting host Mike Blake welcomed all present and gave a brief overview of the City of Central Point.

Minutes:	MSC to accept the September 19, 2019 minutes.		
Treasurers Report:	Ken Johnson reported the checking account balance of \$9,585.08. We had agreed to send \$500 to PNCWA, but Ken has not found anyone to send it to. A motion was made and passed to send it to UBOS instead.		
Legislative Committee:	No report from this committee.		
Quarterly Program:	Date	Topic	Location
	March 5, 2020	Meter Madness, Best Tasting Water	Medford
	June 4, 2020	TBA	Coos Bay
	September 3, 2020	TBA	Roseburg
	November 5, 2020	Officer Meeting	Central Point
	December 3, 2020	TBA	Riddle or Ashland
Education:	No report		
Membership:	No report		
Safety:	Overton Safety has forklift & scissor lift training in Medford next week. D2000 has fall protection training Jan 28-29 th in Medford		
Website:	Website should be up to date.		
Water for People:	Julie Smitherman passed along information via email. 2020 golf tournament will be moved to the 3 rd weekend in August due to conflicts with other tournaments. The first golf meeting will be in January.		
Young Professionals:	Julie Smitherman reported Careers n Gear will be February 6 th in Medford. She is asking for the board to approve the \$100 fee. The board approved the motion. Volunteers will be needed for the booth.		
President Report:	Craig Kuhnert reported that the PNWS section meeting will not be held this winter. The next meeting will be in Sun River October 14-16 th . 2-3 people from our subsection should attend. Assistance is available if needed as a last resort.		
Other:	It was mentioned that a tour of the Medford plant could be used for a future meeting.		

There being no further business, the meeting was adjourned to the program presented by Greg Kleinberg from Medford Fire & Rescue about Home Fire Sprinkler Systems.

GIMMICKS & GADGETS

Have you created a gimmick that makes your job easier or a gadget that you just can't find in any catalog or store? Even if it has been sitting on a shelf for years, bring it to the next subsection meeting and show it off. You may get to represent the Southern Oregon subsection at the Section conference in Vancouver.

Call Mike McClenathan @ 541-890-0801

METER MADNESS

Do you know the ins & outs of a water meter? Can you put one together with your eyes closed?

We are looking for the fastest water meter assembler in Southern Oregon. Are you up for the challenge? Winner of the subsection competition will compete in Vancouver at the section conference.

Master Meter is this year's sponsor.

Call Cyndi Weeks @ 541-423-1021

(If you need a practice meter, call ASAP)

Best Tasting Water

Enter to see who has the best tasting water in Southern Oregon. Email GregHunter@ashland.or.us for eligibility requirements.

Entry deadline for all competitions at Subsection level is February 28th

Southern Oregon Subsection PNWS-AWWA 2019 Best Tasting Water Contest Entry Form

Eligibility:

- The contest is open to all active AWWA utility and individual members representing water systems in the Southern Oregon Subsection;
- The water system must have been represented in at least one regular subsection meeting during the past calendar year (2018).
- The water system must have incurred no State or Federal drinking water regulatory violations during the past calendar year (2018).
- Personal attendance at the contest is required.
- A complete entry form must be submitted with the contest sample prior to the Subsection business meeting.

Water System Information:

Water System: City of Ashland PWSID# 4100047

Name of system representative: Greg Hunter

AWWA Membership Number (utility or individual): 900189

Sample Requirements:

- Two samples must be submitted, each in a one-liter clear glass container.
- Qorpack Clear Boston Rounds – 0.946 liter bottles should be used.
- Samples must be drawn from the distribution system and clearly identified with the water system name.
- Keep samples on ice in transit to the meeting.

Sample Information and Certification:

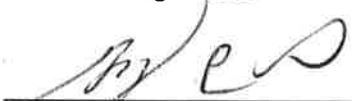

Water Source: Ashland Creek

Sampling location: 1295 Oak St.

Date & Time collected: 3-7-19 0800

Free residual chlorine at time of sample: 0.68 mg/L

- I hereby certify that all rules and regulations of the Southern Oregon Subsection Best Tasting Water Contest have been followed:

Signature of water system representative

SOUTHERN OREGON SUBSECTION

Medford won the honor of Best Tasting Water for 2019. Competition was tough but our judges put their taste buds to the challenge.

The 8th annual golf tournament held in Eagle Point in August raised over \$5,300 this year for Water for People. There was a large turnout and the weather was almost perfect. SO Mafia made a solid appearance for support.

Now our focus turns to the 2019 Southern Oregon Water & Wastewater Short School held in September.

Cyndi Weeks, Secretary. Cyndi.weeks@centralpointoregon.gov
