<b>Subsection Activities Summary</b> .....	<b>5</b>
<b>Subsection Vision Statement</b> .....	<b>9</b>
<b>Subsection Goals</b> .....	<b>9</b>

## Subsection Officer Information

Provided to supplement the PNWS Subsection Officer Information Form

In 2021, we had two new officers join the board —Maeve Harris, as our new YP Liaison, and Bella Campbell as our Associate Program Director 2 to support the program team. We also had one Board retirement - Tammy Whipple officially rolled off the board this fall, to focus on her several other national AWWA board commitments.

For the 2021-2022 year, we look forward to rotating our board officers, with Joanie Stultz moving to Past President, Caren Gallion moving into the President role, and Jon Miner moving into the VP role. We will be filling the Secretary vacancy and Communications Director and hope to retain our Treasurer Program Officers in their current positions.

To help with recruitment we try to invite a guest to every meeting so they can learn about the subsection and how the board runs. This practice has helped pull in new officers and active members.

**THANK YOU!** We would like to take a moment to recognize Tammy Whipple and her service to the Board. We will miss Tammy's leadership! Tammy served initially as the board Treasurer in 2017, followed by two years in the Associate Program Director role. Tammy helped develop new standard templates for training event planning, and coordinated CEU's for classes, among many other contributions to the board. Thank you Tammy for your service!

### New Members:

The KCSS welcomed 27 new members in 2021! We sent welcome wagon emails to connect new members to PNWS resources when they joined and followed up with first-time members to invite them to renew their membership. We look forward to welcoming new members in 2022!

### King County Subsection PNWS-AWWA Officers Roster - May 2021 – April 2022

Position	Officer	Contact Information	Duties
<b>President</b>	Joanie Stultz Brown & Caldwell	Office: 206.749.2215 Cell: 206-499-8282 <a href="mailto:jstultz@brwncald.com">jstultz@brwncald.com</a>	Manage, draft agenda and run meetings, attend major events, keep group on task with strategic goals for the year.
<b>Vice President</b>	Caren Gallion Covington Water District	Office: 253-867-0890 <a href="mailto:caren.gallion@covingtonw">caren.gallion@covingtonw</a>	Coordinate agendas with President and submit draft/final minutes out to

		<a href="http://ater.com">ater.com</a>	members to review/approve/post.

## Subsection Activities Summary

Provided to supplement the Subsection Activities form.

This year continued to involve navigating every-changing COVID restrictions and a new normal with virtual events and programs for the first part of the year, as well as the return to our in-person Golf Tournament. We continued to hold our monthly Board meetings virtually throughout the year. We put on two virtual classes, and partnered with the Northwest Subsection to host two other virtual classes. In September we ran our 54<sup>th</sup> Charity Golf Tournament safely following local COVID requirements, bringing together over 80 King County AWWAers. We raised over \$5,000 for the PAC charities.

Events with the University of Washington AWWA-WEF Student Chapter were put on hold for the winter quarter. We regrouped in the Spring and partnered with PNCWA for a Career Highlights event on May 21<sup>st</sup>, 2021 with the UW AWWA-WEF Student chapter. Student attendance was limited, but was still a successful event for the students who joined.

### Summary of Classes:

- January 27, 2021 – Math for Operators, Virtual, Sponsored by KCSS, partnered with NWSS
- February 10, 2021 – How to Read PIDs, Virtual, Co-hosted with NWSS
- March 10, 2021, Basic Waterworks Workshop – Virtual, Co-hosted with NWSS, All day

- September 23, 2021 - Basic Waterworks Workshop – Virtual, Co-hosted with NWSS, All day

### Virtual Paint Night Success!

The King County Subsection hosted a Virtual Paint night on March 26<sup>th</sup> 6-8 pm. This was our first virtual social event, as a new way to “get together”, and to support Water for People. We partnered with a local paint shop, Uncorked Canvas, who shipped out the paint kits ahead of the event. They provided an instructional video to help participants follow along. Thanks to our participants for a fun night, and for their generosity, raising funds for Water For People!

### King County PNWS-AWWA Annual Golf Tournament, September 17<sup>th</sup>, 2021

The King County PNWS-AWWA Annual Golf tournament was held on Friday, September 17<sup>th</sup>, 2021 at the Auburn Golf Course in Auburn WA. With over 80 registered attendees and 10 holes sponsors, the tournament was well attended by both private and public industry professionals. It was great to finally gather safely in person, and enjoy beautiful greens, great company and ample time to network. Participation in the event provided recognition and visibility for our sponsors, as well as an opportunity to support various philanthropic efforts within the water industry. We were able to donate \$5,500 to the sections philanthropic efforts within the water industry including Water For People, the Water Equation and the PNWS E&T Fund. **Special thanks go out to our sponsors of the event:** we would like to this opportunity to express our sincerest appreciation to our sponsors for the 2021 PNWS-AWWA Charity Golf Tournament at the Auburn Golf Course, in Auburn, WA!

## Subsection Vision Statement

Provide training and social networking for our membership and be a trusted resource for the drinking water industry.

## Subsection Goals

Below are goals the Subsection is carrying forward from last year:

- **Produce minimum of four training classes (with one in-person training):** With the shift to successfully virtual classes, we are looking at opportunities to partner with other subsections (NWSS) more this year, allowing us to co-host more virtual trainings than we have in past years, while also trying to offer one or two in-person trainings. We currently have one virtual training planned for 2022, and expect more to be added to the calendar.
- **Host at least two non-training social events:** At this time, we are planning to host our Water Olympics event in March, and annual Golf tournament in September.
- **Support Young Professional events through sponsorship of socials and support with planning events:** We are looking to do an on-campus networking night with the University of Washington AWWA-WEF group in February, pending on-campus event restrictions, as well as a spring social with YP's and KCSS members.
- **Generate funds to donate to worthy causes.** The Board is committed to plan events to generate funds for donation to AWWA's identified charities, as well as possible options to donate to local organizations. In the past, organizations KCSS has donated to included Water for People, Engineers without Borders, Hopelink and the PNWS-AWWA E&T Fund;
- **Increase membership and event attendance.** Membership is promoted at training and non-training events. We hope to keep members engaged through our virtual events, and have a system in place to contact each new member with a Welcome email and follow-up.
- **Submit useful information to *Water Matters*** about our Subsection activities and events on a quarterly basis.
- **Balanced Officer Rotation:** Through proactive marketing and recruitment of new potential officers, we seek to maintain a balanced representation of the subsection geographically as well as from the industry public employees, consultants and suppliers. We currently have 4 representatives from public/private utilities, 4 consultants and 1 supplier as officers from throughout King County.

This concludes the 2021 PNWS KCSS Annual Report. For additional information, to suggest future educational/networking offerings or to sign up for email notification for any upcoming King County Subsection events, please go to the subsection webpage at [www.pnws-awwa.org](http://www.pnws-awwa.org) or contact Joanie Stultz, [jstultz@BrwnCald.com](mailto:jstultz@BrwnCald.com).

## AWWA and the Section

### Reasons an Affiliation Agreement is needed:

- Protect the Associations' intellectual property including logos, emblems, names, free publications and other proprietary material. In this litigious society if you don't protect your brands you can lose them. An example, Bayer aspirin did not protect the name aspirin and it is now used worldwide by many companies.
- By having this agreement the Association can continue to indemnify all eligible persons of the section, such as directors and officers with liability insurance as cost effectively as possible.
- The Associations' not-for-profit status is critical to our organization surviving. As such the need was there to ensure that everyone understood that all activities conducted by the Sections must meet with AWWA's stated mission of uniting the water community to protect public health and to provide safe and sufficient water for all. Through collective leadership, AWWA advances technology, education, science, management, and government policies. Anything outside of this mission is not allowed.

### Section Penalties for Affiliation Agreement Violations:

1. If the Section violates this agreement to Association may start a disciplinary proceeding that could include financial penalties or ultimately dissolution of the Section.

*I understand the importance of the American Water Works Associations' Affiliation Agreement and why it was needed. Furthermore, I understand that by violating this agreement I place the Pacific Northwest Section in jeopardy of financial penalties or possible dissolution. If I have any questions or concerns regarding my Committee or Subsection activities I will contact the Section office for clarification.*
